 UPPER VALLEY LAKE SUNAPEE REGIONAL PLANNING COMMISSION

Data Sources (distributed by NH GRANIT): Natural resources data from the Natural Services Network (NSN) dataset, 2007, developed by the Jordan Institute. 2010 data of wildlife habitat from NH Fish and Game Department's Wildlife Action Plan were used to update the NSN dataset. Water features from NH Hydrography Dataset, 2006. Roads from NH Dept of Transportation, 2010. Trails from Goshen Planning Board, 2010. Other base map features digitized from USGS topographic maps by CSRC, 1992. **Data Source Disclaimer:** Data in NH GRANIT represent the efforts of the contributing agencies to record information from the cited source materials. No claim is made as to the validity or reliability or to any implied uses of these data.
