

New Hampshire Broadband Mapping & Planning Program Broadband Survey

The New Hampshire Broadband Mapping & Planning Program (NHBMPP) is developing a statewide broadband coverage map showing locations in the state that currently do and do not have broadband access. This map will be used to better understand the current status of broadband availability in New Hampshire, and to help guide future broadband investments in the state.

Please tell us about broadband availability where you live or work. We will use this information to help verify our mapping activities.
